craft your stress away day registration

Saturday, November 14 9am – 9 pm

This is a 'no frills' craft day. No cost, no games, prizes, etc. - Just space, comfortable chairs, good lighting and some crafting friends. We will be spaced apart, so registrations will be limited to 6 people. These will fill up quick! Please do not register if you are uncomfortable with persons not using masks, but you are free to wear one if you wish.

We are not going to share snacks so please bring your own. Meals and drinks are on your own. We have a full kitchen so you can bring or make your meals here or eat at the Hitchin' Post here in Garrison. Coffee will be provided.

Also bring your supplies, tools and projects.

It is long overdue – a day out to craft. I think we can do this in a comfortable, safe way and have fun and dabble in what we love AND get some projects done!

I will be offering a Christmas Card Making portion in the morning. I will show you several fun techniques and designs - You use your own paper and card-making supplies to make the cards. So bring your Christmas paper, embellishments, inks, stamps, etc. if you plan on attending this session.

Please fill out the form below and return to the Garrison Library by November 7th.
